

Call for Paper NuGen Mobility Summit'2019

NOVEMBER 27TH-29TH 2019

The International Centre for Automotive Technology (ICAT) in collaboration with SAE-NIS is organizing NuGen Mobility Summit'2019. This event is scheduled for 27th - 29th Nov'2019. The participants will include experts from the automotive industry, system and technology companies, experts in technology domains, researchers, policy makers, test houses/agencies, associations, academia etc. from all around the world. These professionals would discuss and share their experiences and learn about the trends & innovation in automotive technology. The summit will host conferences, track events and an exhibition in which manufacturers, suppliers and service providers will showcase their products and services, with a special focus on touch and feel of the concurrent and futuristic technologies.

SCOPE OF THE SUMMIT

The summit will offer a large number of invited talks for both from India & abroad, contributed papers and presentations. Abstracts and papers on the topics listed below are invited from experts. The summit will broadly cover following topics:

- Alternative Fuels
- Connected Vehicles
- Intelligent Transportation system
- E-mobility
- Hydrogen Propulsion: Hydrogen Generation, Hydrogen Fuel Cell and Hydrogen IC engine
- Autonomous Vehicle
- Communication Protocols
- Materials and Light weighing
- Recycling
- End of life - vehicles (ELV) and Recycling
- Vehicle Dynamics

Call for Paper NuGen Mobility Summit'2019

IMPORTANT DATES

- | | |
|---|--------------------------------|
| • Abstract submission deadline | 28 th February 2019 |
| • Abstract acceptance notification | 30 th March 2019 |
| • Manuscript submission deadline | 31 st May 2019 |
| • Manuscript notification acceptance notification | 28 th June 2019 |
| • Submission of final paper | 26 th July 2019 |

Note: Participants/experts are requested to submit the abstracts and manuscripts/technical paper as per the formats shared in and with this document.

ABSTRACT FORMAT

Authors should observe the following requirements:

The following headings should be included in the abstract:

1 x A4 page, maximum 700 words including spaces

The paper should preferably touch the theme of the conference.

Font/Typeface: Arial, 10 point, single line spacing

No figures preferred, but can be included if essential

Abstracts should be submitted in PDF format:

Official language is English

Paper Title

Research and/or Engineering Questions/Objective (maximum 100 words)

Methodology (maximum 150 words)

Results (maximum 150 words)

Limitations of this study (maximum 100 words)

What does the paper offer that is new in the field in comparison to other works of the author (maximum 100 words)

Conclusion (maximum 100 words)
